You currently reside in, a rental housing unit located in a development operating under the Housing Tax Credit Program of Section 42 of the Internal Revenue Code. The collection of certain resident data is authorized by the Housing & Economic Recovery Act of 2008, and will be furnished to the U.S. Department of Housing & Urban Development (HUD). Each household must be offered the opportunity to disclose their ethnicity, race, and disability status. Parents/guardians are asked to disclose on behalf of all children in the household who are under the age of 18. There is no penalty for those households who do not wish to provide the requested information. However, all adult household members must sign and date at the bottom of this form as proof that the option to disclose was made available.

NOTE: Please note that the information collected assists program administrators and the federal government in evaluating the benefits, needs and continuing existence of the Housing Tax Credit Program.

The following ethic and racial definitions are modeled after the OMB-approved form, "Race and Ethnic Data Reporting Form" (HUD 270061), used by the U.S. Department of Housing and Urban Development (HUD):

The following instructions regarding disability status were written and approved by HUD's Office of Fair Housing and Equal Opportunity.

The [development] must, to the best of its ability, provide this disability status information, pursuant to 42 U.S.C. 1437z-8. However, it is the tenant's voluntary choice whether to provide such information, and questions to the tenant requesting the information must so state. If the tenant declines to provide the information, the [development] shall use its best efforts to provide the information, such as by noting the appearance of a physical disability that is readily apparent and obvious, or by relying on a past year's information. For purposes of gathering this information, no questions with respect to the nature or severity of the disability are appropriate.

The following definition of "disabled" comes directly from the Fair Housing Act:

Per the Fair Housing Act, the definition of disabled is:

 regarded as having such an impairment. For a definition of "physical or mental impairment" and other terms used in this definition,
 please se 24 CFR 100.20, available at: http://www.fairhousing.com/index.cfm?method=page.dipslay&pagename=regs_fhr_100-201.
- "Handicap" does not include current, illegal use of or addition to a controlled substance.
- An individual shall not be considered to have a handicap solely because that individual is a transvestite.
