SUBJECT: Housing Tax Credit Compliance Monitoring Requirement Update: **Community Services**

Effective immediately, the tenant community services requirement has been suspended until further notice. This suspension comes at the recommendation from the CDC to slow the spread of the coronavirus to limit gatherings to only when necessary. This suspension is a proactive decision to protect the health and well-being of our housing professionals and is an attempt to reduce introduction of the virus into new communities and to slow the spread of infection in communities already affected by the virus.
