

HTC ELIGIBILITY/CERTIFICATION FORMS SUMMARY

Below is a list of tax credit eligibility and/or certification forms. Forms identified as "restrictive" are MHC generated forms that may not be altered and/or modified without written prior consent from the Corporation. Elective forms are sample forms and developments may use alternate forms as long as the same questions on the elective forms are on the development's forms. All applicable forms should be utilized as it applies to each household's situation and maintained in each household's file.
