I. CHDO QUALIFYING CRITERIA

A CHDO is a Community Housing Development Organization. CHDOs are a specific type of community-based nonprofit organization defined by 24 CFR 92.2 of the HOME Final Rule. Certified CHDO Organizations eligible to receive funding through the HOME CHDO program for rental activities or homeownership are nonprofit organizations with demonstrated development experience and capacity to create, rehabilitate, or preserve affordable housing.

II. LEGAL STATUS

To qualify for designation as a CHDO, the organization must meet certain requirements pertaining to their legal status, organizational structure, capacity and experience outlined within this application. To qualify as a CHDO, a nonprofit organization must be:

1. **Organized Under State/Local Law.** A CHDO must show evidence to MHC either in its charter or articles of incorporation, that it is organized under state or local law.
2. **Non-Profit Status.** A tax exemption ruling from the Internal Revenue Service as evidenced by a 501(c) (3) or (c) (4) Certificate from the IRS.
 - a. The private nonprofit organization has a tax exemption ruling from the Internal Revenue Service under section 501(c)(3) or (4) of the Internal Revenue Code of 1986 (26 CFR 1.501(c)(3)-1 or 1.501(c)(4)-1);
3. **Purpose of Organization.** The CHDO's primary purpose must be the provision of decent housing that is affordable to low-income households. This must be evidenced by a statement in the CHDO's charter, articles of incorporation, by-laws, or resolutions.
4. **No individual benefit.** No part of a CHDO's net earnings may benefit any member, founder, contributor, or individual.
5. **Control.** CHDO is not controlled, nor receives directions from individuals or entities seeking profit from the CHDO, as evidenced by the CHDO's by-laws or a Memorandum of Understanding.
6. **Clearly defined service area:** The CHDO must have a clearly defined geographic service area, which can be described and documented. CHDOs may serve individual neighborhoods or large areas. However, while CHDOs may include the entire community in their service area (such as a city, town, village, county, or multi-county area), they may not include the entire state.
7. **Registered in SAM.gov:** The CHDO must have registered in the System of Award Management (SAM) and received a 12-character alphanumeric Unique Entity Identifier (UEI). All organizations doing business with the federal government and who will receive federal funds, or a sub-award must have both a UEI number AND an active registration on www.sam.gov. The applicant will need to provide a copy of the applicant's SAM page showing the UEI number to demonstrate its eligibility to apply for federal funds in the application. This page must show a valid/active status along with the current expiration date. Inactive or expired registrations are not acceptable.

III. ORGANIZATIONAL STRUCTURE

Board Composition Requirements for CHDO Certification

There are three specific requirements related to the CHDO's board, which must be evidenced in the CHDO's by-laws, charter, or articles of incorporation. The CHDO board must be composed as follows:

1. **Low Income Representation.** At least one-third must be representatives of the low-income community within their service area. A CHDO must maintain accountability to low-income residents by having at least one-third of its governing board's membership for residents of low-income neighborhoods or communities, or through designees of low-income neighborhood/community organizations in which they serve. To qualify for this section, the **Low-income representative must certify.**
 - a. **Low-income residents or residents of low-income neighborhoods:** Residents that reside in areas where 51% or more of the residents are low-income. Residents of these low-income areas do not have to be low-income themselves.
 - b. **Low-income residents of the community.**
 - c. **Designees of low-income neighborhood/community organizations** that address the housing or supportive service needs of low-income residents or residents of low-income neighborhoods, including homeless providers, Fair Housing Initiatives. Other examples of program providers are Legal Aid, disability rights organizations, and victim service providers.
2. **Public Official/Government Employee.**

No more than one-third of the governing board may consist of representatives of the public sector (public officials or employees).

 - a. **Public officials include any individual who is an elected or appointed member of any governmental entity** (e.g. a city council member, a member of the local zoning board, a member of a local public housing authority board, etc.).
 - b. **A government employee is anyone that is employed by a governmental entity on a full or part time basis** even if that individual's job function is not related to housing, HUD programs, or other federal funding (e.g. a county sheriff deputy, a sanitation department worker, a secretary in the city parks department, etc.). A governmental employee also includes anyone appointed by a governmental entity to a position for which they are compensated for services.
 - c. **A governmental appointee is anyone who has been appointed to the board of directors by a governmental entity** even if that person is not otherwise a public official or governmental employee (e.g. a member appointed to the board by the local mayor).
 - d. **Appointed by a State Official.** Any individual who is not necessarily a public official, but who has been appointed by a state official (as described above) to serve on the CHDO board.
 - (1) Members of the board appointed by public officials cannot select other members of the board.

- (2) Public officials and/or appointees who themselves are either low-income community residents or residents of a low-income neighborhood count against the no more than one-third limit of public sector representatives. However, they do not count toward the one-third minimum requirement of community representatives.

(a) **Example:** ACME Helping Hands, Inc. wants to qualify as a CHDO. The organization fulfills every other requirement and is now at the point of reviewing its board composition for compliance with CHDO requirements. ACME currently has 12 board members of which six reside in low-income neighborhoods within their service area of ACME county. Included in the six are: an alderwoman, a member of the school board, a neighborhood resident appointed by the mayor to serve on the city's planning and zoning commission. The remaining six members are neither low-income nor public officials/appointees. The current ACME board does not exceed the one-third maximum limit on public-sector representatives, since only three out of the 12 members are public officials/appointees. However, the three public officials/appointees, even though they live in a low-income neighborhood, cannot count toward the minimum one-third community representative requirement for low-income. ACME's board does not currently meet the board composition threshold requirement.

3. Unrestricted

The remaining Board Structure balance is unrestricted and may include people such as human and social service providers, lenders, individuals with access to philanthropic resources, or others willing to contribute their professional expertise.

IV. SPONSORSHIP/INDEPENDENCE REQUIREMENTS FOR CHDO CERTIFICATION

Creation or Sponsorship by a For-Profit Entity

A community housing development organization may be sponsored or created by a for-profit entity, but:

1. The created non-profit (CHDO) must retain complete independence from the for-profit entity.
2. The for-profit entity may not be an entity whose primary purpose is the development or management of housing (ex: builder, developer, or real estate management firm, etc.) as evidenced in the for-profit organizations by-laws.
3. The for-profit entity may not have the right to appoint more than one-third of the membership of the organization's governing body. Board members appointed by the for-profit entity may not appoint the remaining two-thirds of the board members.
4. The CHDO must be free to contract for goods and services from vendors of its own choosing.
5. The officers and employees of the for-profit entity may not be officers or employees of the community housing development organization.
6. The nonprofit entity would also be prohibited from using the office space of the for-profit entity.

Creation or Sponsorship by a Government Entity

An organization that is created by a governmental entity may qualify as a community housing development organization; however,

1. No more than one-third of the board members of the organization may be officials or employees of the participating jurisdiction or governmental entity that created the community housing development organization.
2. No governmental entity may have the right to appoint more than one-third of the organization's board members.
 - a. The board members appointed by a governmental entity and the board members that are officials or employees of the participating jurisdiction or governmental entity that created the organization may not appoint any of the remaining two-thirds of the board members.
3. The officers or employees of a governmental entity may not be officers or employees of a community housing development organization.
4. The CHDO must be free to contract for goods and services from vendors of its choosing

Sponsorship by a Religious Organization

If sponsored by a religious organization, the CHDO is a separate secular entity from the religious organization, with membership available to all people, regardless of religion or membership criteria, as evidenced by its by-laws, charter, or articles of incorporation.

V. CAPACITY AND EXPERIENCE

Capacity

The necessary experience and capacity will vary, depending on the type of project the CHDO is undertaking and the role in which the CHDO will serve.

1. CHDOs must have demonstrated capacity for carrying out housing projects assisted with Federal funds, Low-Income Housing Tax Credits (26 U.S.C.42), Federal Home Loan Bank Affordable Housing Program (12 U.S.C. 1430) funds, or local and State affordable housing funds.
2. The CHDO must have paid employees with housing development experience who will work directly on the HOME-assisted project. Employees must have experience relevant to the role they will undertake.
 - a. A paid employee could be a permanent employee subject to a W-2 or could be a contracted employee subject to an employment contract.
 - b. The employees can be full or part-time, provided they have sufficient time available to fulfill their role of overseeing the project.
 - c. Employees must be paid by the CHDO.
3. Where the paid employees of the organization do not demonstrate capacity to develop a HOME-assisted project alone, the experience of paid employees may be supplemented by board members or officers of the organization that are volunteers.
 - a. If a nonprofit organization is demonstrating capacity by using a volunteer board member's or officer's experience, the volunteer may not be compensated by or have their services donated by another organization.
 - b. Board members must have professional skills directly relevant to housing development.
 - (1) Examples of professional skills: real estate, legal, architectural, planning, construction, finance, and management experience are all professional skills relevant to housing development.
 - (2) Resumes are required.
 - (3) Evidence of trainings received in the past two years
4. Organizations that are qualifying as a CHDO for the first time may contract with a consultant and be counted if the consultant is training the paid CHDO staff to be able to perform the function in future projects. There should be a plan in place for the consultant to train key staff.
5. CHDO Capacity cannot be:
 - a. Municipal, county, or state employees
 - b. Officers or employees of a for-profit sponsoring entity
 - c. Employees of another non-profit organization
 - d. Consultants (paid or volunteer) are not planning to train the CHDO's key staff.

Experience

To determine if a CHDO has the expertise and experience to carry out the proposed project in the organization's track record will be reviewed. The applicant must provide documentation such as staff resumes, references, and financial statements demonstrating their capacity and years of experience in developing multi-family and single-family housing. Documentation of past projects, including but not limited to data on beneficiaries, architectural drawings, building inspection certification will be required.

1. Demonstrated experience and capacity to conduct an eligible HOME activity:
 - a. Own, construct, rehabilitate, and or manage and operate an affordable single and multifamily housing development.
 - b. Serve extremely low-income households, and special needs populations, such as homeless families and people with disabilities.
 - c. Demonstrate ability and financial capacity to undertake, comply, and manage eligible activities.
 - d. Demonstrate its familiarity with the requirements of other federal, state, or local housing programs that may be used in conjunction with HOME funds to ensure compliance with all applicable program requirements and regulations.
2. **Example:** If a CHDO proposes to acquire standard rental housing and manages it as affordable housing, staff will need to have property management experience and or experience in managing HOME assisted housing or other affordable housing.

Training

1. CHDO staff must submit evidence of training received within the past two years.
2. The following training(s) will be required by key members at the submission of a CHDO funding application. Certificates evidencing completion of the modules listed below from the Building HOME and CHDO Opportunities in HOME training on HUD Exchange will be required. Certificates must be no older than two years and completed by at least two current members (one from each of the development & management teams, if applicable).
 - a. Building HOME Required Modules
 - Module 1: Overview of the HOME Program
 - Module 2: HOME Program Requirements
 - Module 3: HOME Program Administration
 - Module 7: Long-term Compliance
 - Module 8: CHDO
 - Module 12: Other Federal Requirements
 - b. CHDO Opportunities in HOME

VI. FINANCIAL MANAGEMENT AND CAPACITY REQUIREMENTS FOR CHDO CERTIFICATION

Financial Accountability.

Organizations will be required to submit a statement that confirms the CHDO will comply with standards that conform to 2 CFR 200.302 and 2 CFR 200.303. This statement must be on the CHDO's letterhead. **(Example attached page 36).**

3. **2 CFR 200.302 Financial Management.** Each state must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds. In addition, the state's and the other non-Federal entity's financial management systems, including records documenting compliance with Federal statutes, regulations, and the terms and conditions of the Federal award, must be sufficient to permit the preparation of reports required by general and program-specific terms and conditions; and the tracing of funds to a level of expenditures adequate to establish that such funds have been used according to the Federal statutes, regulations, and the terms and conditions of the Federal award. See also [§ 200.450](#).

The financial management system of each non-Federal entity must provide for the following (see also [§§ 200.334](#), [200.335](#), [200.336](#), and [200.337](#)):

- a. Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the Assistance Listings title and number, Federal award identification number and year, name of the Federal agency, and name of the pass-through entity, if any.
- b. Accurate, current, and complete disclosure of the financial results of each Federal award or program in accordance with the reporting requirements set forth in [§§ 200.328](#) and [200.329](#). If a federal awarding agency requires reporting on an accrual basis from a recipient that maintains its records on other than an accrual basis, the recipient must not be required to establish an accrual accounting system. This recipient may develop accrual data for its reports based on an analysis of the documentation on hand. Similarly, a pass-through entity must not require a subrecipient to establish an accrual accounting system and must allow the subrecipient to develop accrual data for its reports based on an analysis of the documentation on hand.
- c. Records that identify adequately the source and application of funds for federally funded activities. These records must contain information pertaining to Federal awards, authorizations, financial obligations, unobligated balances, assets, expenditures, income, and interest and be supported by source documentation.
- d. Effective control over, and accountability for, all funds, property, and other assets. The non-Federal entity must adequately safeguard all assets and assure that they are used solely for authorized purposes. See [§ 200.303](#).
- e. Comparison of expenditures with budget amounts for each Federal award.
- f. Written procedures to implement the requirements of [§ 200.305](#).
- g. Written procedures for determining the allowability of costs in accordance with [subpart](#)

[E of this part](#) and the terms and conditions of the Federal award.

4. **2 CFR 200.303 Internal Controls.** Non-Federal entity must:
 - a. Establish and maintain effective internal control over the Federal award that provides reasonable assurance that the non-Federal entity is managing the Federal award in compliance with Federal statutes, regulations, and the terms and conditions of the Federal award. These internal controls should be in compliance with guidance in “Standards for Internal Control in the Federal Government” issued by the Comptroller General of the United States or the “Internal Control Integrated Framework”, issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
 - b. Comply with the U.S. Constitution, Federal statutes, regulations, and the terms and conditions of the Federal awards.
 - c. Evaluate and monitor the non-Federal entity's compliance with statutes, regulations and the terms and conditions of Federal awards.
 - d. Take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings.
 - e. Take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or pass-through entity designates as sensitive or the non-Federal entity considers sensitive consistent with applicable Federal, State, local, and tribal laws regarding privacy and responsibility over confidentiality.
5. **Conformance to Accountability Standards.** The CHDO must conform to the financial accountability standards of 2 CFR 200.302, “Standards for Financial Management Systems”, as evidenced a by notarized statement by the board president or Chief Financial Officer (CFO) of the CHDO, or a certification from a Certified Public Accountant (CPA), or a HUD approved audit summary.
6. **No Individual Benefit.** No part of a CHDO’s net earnings (profits) may benefit any members, founders, contributors, or individuals. This requirement must also be evidenced in the CHDO’s charter or articles of incorporation.
7. **Audit.** Audit information will be reviewed. Provide the last three years of audited financial statements. If less than three years, provide interim financial statements including cash flow statements and general ledgers.
8. **Budgeting.** The CHDO must conduct an annual budgeting of its operations and all activities and programs. It should track and report the budget versus actual income and expenses. The CHDO must demonstrate sufficient capacity to track and manage federal funds using Generally Accepted Accounting Principles (GAAP) and use of annual budgeting.
9. **Reporting.** Financial reporting should be regular, current, and sufficient for the board to forecast and monitor the financial status of the corporation.
10. **Cash Flow Management.** The CHDO should know its current cash position and maintain control over its expenditures.
11. **Internal Controls.** The CHDO should have adequate internal controls to ensure separation of duties and safeguarding of corporate assets. There should be sufficient

oversight of all financial activities. Employees that oversee the expenditure of funds should be bonded.

12. **Conflict of Interest.** The CHDO should have a conflict-of-interest policy governing board members, employees, and development activities, particularly in procurement of contract services and the award of housing units for occupancy.
13. **Insurance.** The CHDO should maintain adequate insurance, including liability, fidelity, bond workers compensation, property hazard and project. Regarding bonding provisions (**surety bond**), the CHDO shall obtain a minimum bonding of \$75,000 to protect the interest of the CHDO and any entity which shall award funds unto the CHDO. If funded, the CHDO is required to increase the surety bond to the amount equal to the HOME funds granted for each principal.
14. **Financial Stability.** The current balance sheet and budget should indicate a sufficient, diversified, and stable funding base to support essential operations.
15. **Portfolio Financial Condition.** If the CHDO has a portfolio of properties, they should be in stable physical and financial condition.
16. **Liquidity.** Whether the CHDO has liquid assets available to cover current expenses shall be considered, as well as whether the CHDO has funds available for predevelopment expenses or equity investments required for development.

VII. REATIONSHIP/SERVICE TO THE COMMUNITY REQUIREMENTS FOR CHDO CERTIFICATION

The HOME Program establishes requirements for the organizational structure of a CHDO to ensure that the governing body or the CHDO is **controlled by the community it serves**. These requirements are designed to ensure that the CHDO is capable of decisions and actions that address the community's needs without undue influence from external agendas.

1. **History of Serving the Community in a Similar Capacity.** The CHDO must have a history of serving the community in which the HOME project will be located. The CHDO must have one year of experience serving the low-income community.
 - a. Service to the community is not limited to the housing activities specified for CHDO funding. It can be a service to the community, such as job training, tax preparation, food pantries, housing counseling, Head Start, or other service or advocacy programs that work directly with low-income residents of a CHDO's service area. Documentation must be provided outlining the community service history.
2. **Low Income Input.** The CHDO must provide a formal process for low-income program beneficiaries to advise the CHDO on design, location of sites, development, and management of affordable housing. The process must be described *in writing* and must be documented in the CHDO's by-laws, resolutions, or a written statement of operating procedures approved by the governing body.
 - a. Each project undertaken by the CHDO should allow potential program beneficiaries to be involved and provide input on the entire project from project concept and site selection to property management. One way to accomplish this requirement is to develop a project advisory committee for each project or community where a HOME assisted project will be developed. Proof of input from the potential low-income program beneficiaries in all aspects of the project will be required for HOME project funding.
 - b. Board meeting minutes should document the input gathered from the community to show that the board considered the input while making decisions related to CHDO projects.
3. **Needs.** Current plans should be well grounded in an understanding of current housing conditions, housing needs and the need for supportive services. The CHDO should have an analysis of the local housing market and the housing needs of low-income households.
4. **Community Relations.** The CHDO should have a good reputation and a positive relationship with the community it services.
5. **Local Government Relations.** The CHDO should have a positive relationship with the local government(s) of the community(s) that it serves. The CHDO must be separate from and not under the control of a government entity, in keeping with the statutory requirement that a CHDO maintain accountability to the low-income community it serves through its governing board make-up and otherwise.

VIII. CHDO SET-ASIDE ROLES: OWNER, DEVELOPER AND SPONSOR

CHDO set-aside funds may be used by CHDOs for those HOME activities where the CHDO acts as the developer, sponsor and/or owner of the housing. To qualify for the set-aside funds, the CHDO must have effective project control (decision making authority). There are three roles CHDOs can serve when utilizing HOME set-aside funds:

1. **CHDO as an Owner:** the CHDO is to be the sole and exclusive owner of the housing during development and the period of affordability.
 - a. Ownership must be fee simple or via a long-term ground lease (99-year minimum)
 - b. Permitted to acquire property that is in standard condition and meets property standards in 24 CFR 92.251.
 - c. Cannot be an owner in partnership with another entity.
 - d. Required to oversee all aspects of the development process.
 - e. Can be a rental project owner without also having to be the developer.
 - f. May hire an experienced project manager to oversee all aspects of the development. At a minimum the project manager will:
 - i. Obtain zoning and other local approvals
 - ii. Secure non-HOME financing
 - iii. Manage the selection of a general contractor/builder and
 - iv. Oversee work progress including cost reasonableness
 - g. If the project requires development, the CHDO may hire and oversee a developer that rehabilitates or constructs the housing.
 - h. The CHDO may contract for property management services.
2. **CHDO as a Developer (Rental):** The CHDO must be the owner and developer of the project receiving set-aside funds. The developer is responsible for the development of the project.
 - a. Must be the sole owner of the property either in fee simple or via ground lease during the development and the period of affordability.
 - b. CHDO is in sole charge of all aspects of the development process, including
 - i. Obtaining zoning and other approvals
 - ii. Obtaining other non-HOME financing needed for the project
 - iii. Selecting architects, engineers, general contractors, and other members of the development team
 - iv. Overseeing progress of work and determining cost reasonableness.
 - c. Cannot develop HOME-assisted units owned by another non-profit or for-profit entity (see sponsor role)
3. **CHDO as a Developer (Homeownership Housing):**
 - a. CHDO must be the owner in fee simple absolute title and the developer of the new housing to be constructed for homeownership.

- b. CHDOs must arrange financing of the project and be in sole charge of construction.
 - c. CHDO must transfer the title of the property and HOME obligations to eligible homebuyers within a specified timeframe of project completion.
 - d. CHDOs may provide downpayment assistance to a buyer of a property that it developed with CHDO set-aside funds. If providing downpayment assistance, no more than 10% of the total amount of HOME development funds may be used to provide downpayment assistance.
4. **CHDO as a Sponsor (Affiliate Owner or Affiliate Developer):** Under this role, the CHDO does not directly own and develop the property but rather does so through an eligible affiliate of the CHDO that will act as either the owner or developer of the rental housing.
- a. One of the following types of CHDO affiliate will own or develop the project
 - i. A wholly owned subsidiary of the CHDO
 - ii. Limited Partnership (LP) of which the CHDO or its wholly owned subsidiary is the sole general partner.
 - 1. Partnership agreement can only allow removal of CHDO or its subsidiary for cause and must provide for replacement by another CHDO
 - iii. Limited Liability Company (LLC), of which the CHDO or its wholly owned subsidiary is the sole managing member.
 - 1. Operating agreement can only allow removal of CHDO or its subsidiary for cause and must provide for replacement by another CHDO
 - b. **Affiliate Owned**
 - i. Must solely own the property in fee simple (or via long term ground lease)
 - ii. Must solely own the property for the required affordability period
 - iii. CHDO will EITHER
 - 1. Acquire standard housing (i.e. must meet property standards in §92.251) that will be rented to income eligible tenants, **OR**
 - 2. Hire a project manager/developer to oversee development of new or rehabilitated housing. The project manager will:
 - a. Obtain zoning and other local approvals;
 - b. Secure non-HOME financing;
 - c. Manage the selection of a general contractor/builder, and
 - d. Oversee work progress including cost reasonableness
 - c. **Affiliate Developer**
 - i. Affiliate must solely own the property in fee simple (or via long term ground lease) during the development period
 - ii. Affiliate must solely own the property for the required affordability period
 - iii. Affiliate must be in sole charge of the development process, including
 - 1. Obtaining zoning and other approvals

2. Obtaining other non-HOME financing needed for the project
 3. Selecting architects, engineers, general contractors, and other members of the development team
 4. Overseeing progress of work and determining cost reasonableness
- d. **Tax Credits** When a CHDO is involved in a Low-Income Housing Tax Credit (LIHTC) project, it serves as a sponsor.
- i. The CHDO is a member of an ownership organization rather than the sole owner, as required for the owner or developer role.
 - ii. All LIHTC projects must utilize the sponsor role, in which the CHDO maintains control over the ownership entity to be eligible to receive HOME funding.
 - iii. It is permissible under the “sponsor CHDO affiliate” role to develop a project with set-aside funds when the actual ownership is through an entity that also has investor participation such as low-income Housing Tax Credit projects.
 1. A rental project can be owned by a limited partnership in which a CHDO, or a wholly owned subsidiary of the CHDO is the sole general partner or by a limited liability company in which a CHDO or a wholly owned subsidiary of the CHDO is the sole managing member.
 - iv. **Example 1:** A CHDO has been asked to partner with a for-profit developer to develop a rental project under the LIHTC nonprofit set-aside where the for-profit and the CHDO will jointly own the general partner entity. Is this project eligible for the CHDO set-aside?
 1. No, the project is not eligible for CHDO set-aside funding. To qualify as a CHDO sponsored project, the CHDO or its wholly owned subsidiary must be the sole general partner of a limited partnership. In this scenario, the CHDO does not wholly and exclusively own the general partner entity.
 - v. **Example 2:** ACME Helping Hands is a qualified CHDO. They have undertaken several rental housing projects, typically in the role of developer. Two years ago, they decided to undertake a Low-Income Housing Tax Credit (LIHTC) project. They created a limited partnership with the equity investor. ACME was named as the sole general partner. The partnership agreement clearly spelled out ACME’s role and decision-making authority.
 1. Prior to making a funding commitment, our PJ reviewed this agreement to ensure that we were solely responsible for the project. The PJ also confirmed that our agreement clearly stated that if we were removed as the general partner, the limited partnership would be required to replace ACME Helping Hands (CHDO) with another eligible CHDO.
5. **CHDO as a Sponsor (Turnkey):** Turnkey is when one CHDO develops rental housing with the intent to convey the property to another pre-identified nonprofit organization at the predetermined time after completion of construction or rehabilitation to operate the housing for the period of affordability.
- a. Nonprofit receiving property upon completion must
 - i. Be identified by the CHDO prior to commitment

- ii. Not be created by a governmental entity; and
 - iii. Assume ownership and all HOME obligations, including any loan repayment requirements, at a specified time following completion of the development
- b. CHDO must own the property in fee simple (or via long term ground lease) during the development period
- c. CHDO must be in sole charge of the development process, including
 - i. Obtaining zoning and other approvals;
 - ii. Obtaining other non-HOME financing needed for the project;
 - iii. Selecting architects, engineers, general contractors, and other members of the development team; and
 - iv. Overseeing progress of work and determining cost reasonableness.
- d. If identified nonprofit does not assume ownership as planned, CHDO must maintain ownership for the affordability period
- e. **Example:** ACME Helping Hands enters into a legally binding agreement with Elder Care, an existing nonprofit organization experienced in providing enhanced housing services for the elderly. The CHDO agrees to purchase and rehabilitate a vacant 50-unit property and convey the property to Elder Care upon completion of the construction phase.
 - i. Elder Care will assume responsibility for the long-term management of the project, and for the fulfillment of all obligations and requirements associated with the use of the HOME funds.

IX. OPERATING EXPENSES

1. **General Operating Assistance:** Up to five percent of a PJ's HOME allocation may be used to provide general operating assistance to CHDOs that are receiving set-aside funds for an activity (or activities) or are under a written agreement to receive set-aside funds within 24 months of the date of the agreement. Operating expenses are not an eligible cost for CHDO set-aside funds.
2. **Limitations:** Assistance for operating expenses in each fiscal year may not exceed \$50,000, or 50% of the CHDO's total annual operating expenses for that year, whichever is greater.

X. DEVELOPMENT CAPACITY REQUIREMENTS FOR CHDO CERTIFICATION

1. **Capacity to Carry Out Activities.** The CHDO must have demonstrated capacity for carrying out activities assisted with HOME funds, as evidenced by resumes and/or statements that describe the experience of key staff that have successfully completed projects similar to those to be assisted with HOME funds.
2. **Portfolio.** The CHDO's portfolio of projects and properties should evidence competent management and oversight.
3. **Previous Performance.** The CHDO should have exhibited competence with any previous CHDO activities.
4. **Management Capacity.** The CHDO's management should have the capacity and ability to manage additional development activities.
5. **Procedures.** There should be policies and procedures in place to govern development activities.
6. **Project management.** The CHDO should have procedures for monitoring the progress of a project and the capacity to monitor project-level cash flow and schedules.
7. **Personnel.** There should be staff that is assigned responsibilities for housing development and personnel policies and job descriptions should be clear.
8. **Staff Skills.** The strength of staff in the following areas shall be considered:
 - a. Legal/financial aspects of housing development
 - b. Management of real estate development
 - c. Oversight of design & construction management
 - d. Marketing, intake
 - e. Property management (if applicable)
9. **Training.** Staff should be encouraged to obtain additional training and develop skills.
10. **Member involvement.** The CHDO's membership should be active and in support of the CHDO's housing activities.
11. **Use of consultants.** To what extent does the CHDO has access to and makes use of qualified development consultants shall be considered, as well as how these consultants interact with staff.
 - a. CHDOs may not use a qualified consultant to demonstrate capacity except during an organization's first year as a CHDO. In this case, a consultant may be used to train the CHDO's staff. In addition, a CHDO may never use volunteer labor, or services donated by another organization to demonstrate capacity.
12. **Funding access.** The CHDO should have the ability to raise funds for the capital requirements of a project.

XI. EFFECTIVE PERIOD OF CHDO CERTIFICATION

1. To maintain current CHDO Certification status, the CHDO must submit a complete CHDO Certification package for funding through MHC, and the CHDO must be awarded funds.
2. Certification is effective for a **twelve (12) month** period from approval.

XII. THE CONSOLIDATED PLAN

Activities conducted by CHDOs must be consistent with the state's Consolidated Plan. The Consolidated Plan identifies housing and community development needs in the state's jurisdiction and provides long-term strategy for addressing those needs. The Consolidated Plan indicates the level of resources which are allocated to each program. Each year the state must develop an Action Plan, which spells out which activities it will carry out and how much money will be spent in each area. The Consolidated Planning process is an opportunity for CHDOs to provide input to the state on how funds are allocated.

XIII. HOW TO APPLY FOR CHDO CERTIFICATION

1. Complete a CHDO Project Proposal form and the CHDO Certification Package (Application).
2. Submit one (1) original of the Proposal and Certification application. The application should be bound and delivered to:

Julie Brooks
Mississippi Home Corporation
735 Riverside Drive
Jackson, Mississippi 39202

3. If additional information is requested, the applicant has 30 days to respond. If the requested information is not received within 30 days, the CHDO Certification application will be pending until such information has been submitted.

NOTE: Fax and email copies are not acceptable:

XIV.CODE OF FEDERAL REGULATIONS

Code of Federal Regulations

24 C.F.R. § 92.300 Set-side For Community Housing Development Organizations (CHDOs).

(a) Within 24 months after the date that HUD notifies the participating jurisdiction of HUD's execution of the HOME Investment Partnerships Agreement, the participating jurisdiction must reserve not less than 15 percent of the HOME allocation for investment only in housing to be owned, developed, or sponsored by community housing development organizations. For a State, the HOME allocation includes funds reallocated under [§ 92.451\(c\)\(2\)\(i\)](#) and, for a unit of general local government, includes funds transferred from a State under [§ 92.102\(b\)](#). The participating jurisdiction must certify the organization as meeting the definition of “community housing development organization” and must document that the organization has capacity to own, develop, or sponsor housing each time it commits funds to the organization. For purposes of this paragraph:

- (1) Funds are reserved when a participating jurisdiction enters into a written agreement with the community housing development organization (or project owner as described in [paragraph \(a\)\(4\)](#) of this section) committing the funds to a specific local project in accordance with paragraph (2) of the definition of “commitment” in [§ 92.2](#).
- (2) Rental housing is “owned” by the community housing development organization if the community housing development organization is the owner in fee simple absolute of multifamily or single family housing (or has a long term ground lease) for rental to low-income families in accordance with [§ 92.252](#). If the housing is to be rehabilitated or constructed, the community housing development organization hires and oversees the developer that rehabilitates or constructs the housing. At minimum, the community housing development organization must hire or contract with an experienced project manager to oversee all aspects of the development, including obtaining zoning, securing non-HOME financing, selecting a developer or general contractor, overseeing the progress of the work, and determining the reasonableness of costs. The community housing development organization must own the rental housing during development and for a period at least equal to the period of affordability in [§ 92.252](#). If the CHDO acquires housing that meets the property standards in [§ 92.251](#), the CHDO must own the rental housing for a period at least equal to the period of affordability in [§ 92.252](#).
- (3) Rental housing is “developed” by the community development housing organization if the community housing development organization is the owner of multifamily or single-family housing in fee simple absolute (or has a long term ground lease) and the

developer of new housing that will be constructed or existing substandard housing that will be rehabilitated for rent to low-income families in accordance with [§ 92.252](#). To be the “developer,” the community development housing organization must be in sole charge of all aspects of the development process, including obtaining zoning, securing non-HOME financing, selecting architects, engineers, and general contractors, overseeing the progress of the work, and determining the reasonableness of costs. At a minimum, the community housing development organization must own the housing during development and for a period at least equal to the period of affordability in [§ 92.252](#).

- (4) Rental housing is “sponsored” by the community development housing organization if it is rental housing “owned” or “developed” by a subsidiary of a community housing development organization, a limited partnership of which the community housing development organization or its subsidiary is the sole general partner, or a limited liability company of which the community housing development organization or its subsidiary is the sole managing member.
 - (i) The subsidiary of the community housing development organization may be a for-profit or nonprofit organization and must be wholly owned by the community housing development organization. If the limited partnership or limited liability company agreement permits the community housing development organization to be removed as general partner or sole managing member, the agreement must provide that the removal must be for cause and that the community housing development organization must be replaced with another community housing development organization.
 - (ii) The HOME funds must be provided to the entity that owns the project.
- (5) HOME-assisted rental housing is also “sponsored” by a community housing development organization if the community housing development organization “developed” the rental housing project that it agrees to convey to an identified private nonprofit organization at a predetermined time after completion of the development of the project. Sponsored rental housing, as provided in this [paragraph \(a\)\(5\)](#), is subject to the following requirements:
 - (i) The private nonprofit organization may not be created by a governmental entity.
 - (ii) The HOME funds must be invested in the project that is owned by the community housing development organization.
 - (iii) Before commitment of HOME funds, the community housing development organization sponsor must select the nonprofit organization that will obtain ownership of the property.

- (A) The nonprofit organization assumes the community housing development organization's HOME obligations (including any repayment of loans) for the rental project at a specified time after completion of development.
 - (B) If the housing is not transferred to the nonprofit organization, the community housing development organization sponsor remains responsible for the HOME assistance and the HOME project.
- (6) Housing for homeownership is “developed” by the community development housing organization if the community housing development organization is the owner (in fee simple absolute) and developer of new housing that will be constructed or existing substandard housing that will be rehabilitated for sale to low-income families in accordance with [§ 92.254](#).
 - (i) To be the “developer” the community development housing organization must arrange financing of the project and be in sole charge of construction. The community housing development organization may provide direct homeownership assistance (e.g., downpayment assistance) when it sells the housing to low-income families and the community housing development organization will not be considered a subrecipient. The HOME funds for downpayment assistance shall not be greater than 10 percent of the amount of HOME funds for development of the housing.
 - (ii) The participating jurisdiction must determine and set forth in its written agreement with the community housing development organization the actual sales prices of the housing or the method by which the sales prices for the housing will be established and whether the proceeds must be returned to the participating jurisdiction or may be retained by the community housing development organization.
 - (A) While proceeds that the participating jurisdiction permits the community housing development organization to retain are not subject to the requirements of this part, the participating jurisdiction must specify in the written agreement with the community housing development organization whether the proceeds are to be used for HOME-eligible activities or other housing activities to benefit low-income families.
 - (B) Funds that are recaptured because the housing no longer meets the affordability requirements under [§ 92.254\(a\)\(5\)\(ii\)](#) are subject to the requirements of this part in accordance with [§ 92.503](#).
- (7) The participating jurisdiction determines the form of assistance (e.g., grant or loan) that it will provide to the community housing development organization receives or, for rental housing projects under [paragraph \(a\)\(4\)](#) of this section, to the entity that owns the project.

- b) Each participating jurisdiction must make reasonable efforts to identify community housing development organizations that are capable, or can reasonably be expected to become capable, of carrying out elements of the jurisdiction's approved consolidated plan and to encourage such community housing development organizations to do so. If during the first 24 months of its participation in the HOME Program a participating jurisdiction cannot identify a sufficient number of capable community housing development organizations, up to 20 percent of the minimum community housing development organization set-aside of 15 percent specified in [paragraph \(a\)](#) of this section, above, (but not more than \$150,000 during the 24 month period) may be committed to develop the capacity of community housing development organizations in the jurisdiction.
- c) Up to 10 percent of the HOME funds reserved under this section may be used for activities specified under [§ 92.301](#).
- d) HOME funds required to be reserved under this section are subject to reduction, as provided in [§ 92.500\(d\)](#).
- e) If funds for operating expenses are provided under [§ 92.208](#) to a community housing development organization that is not also receiving funds under [paragraph \(a\)](#) of this section for housing to be owned, developed or sponsored by the community housing development organization, the participating jurisdiction's written agreement with the community housing development organization must provide that the community housing development organization is expected to receive funds under [paragraph \(a\)](#) of this section for a project within 24 months of the date of receiving the funds for operating expenses, and specifies the terms and conditions upon which this expectation is based.
- f) The participating jurisdiction must ensure that a community housing development organization does not receive HOME funding for any fiscal year in an amount that provides more than 50 percent or \$50,000, whichever is greater, of the community housing development organization's total operating expenses in that fiscal year. This also includes organizational support and housing education provided under section 233(b)(1), (2), and (6) of the Act, as well as funds for operating expenses provided under [§ 92.208](#).
