

Title VI, Civil Rights Act of 1964

§2000d Prohibition against exclusion from participation in, denial of benefits of, and discrimination under federally assisted programs on ground of race, color or national origin

No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

§2000d-1. Federal authority and financial assistance to programs or activities by way of grant, loan, or contract other than contract of insurance or guaranty; rules and regulations; approval by President; compliance with requirements; reports to Congressional committees; effective date of administrative action

Each Federal department and agency which is empowered to extend Federal financial assistance to any program or activity, by way of grant, loan, or contract other than a contract of insurance or guaranty, is authorized and directed to effectuate the provisions of section 601 with respect to such program or activity by issuing rules, regulations, or orders of general applicability which shall be consistent with assistance in connection with which the action is taken. No such rule, regulation, or order shall become effective unless and until approved by the President. Compliance with any requirement adopted pursuant to this section may be effected (1) by the termination of or refusal to grant or to continue assistance under such program or activity to any recipient as to whom there has been an express finding on the record, after opportunity for hearing, of a failure to comply with such requirement, but such termination or refusal shall be limited to the particular political entity, or part thereof, or other recipient as to whom such a finding has been made and, shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found, or (2) by any means authorized by law: Provided, however, That no such action shall be taken until the department or agency concerned has advised the appropriate person or persons of the failure to comply with the requirement and had determined that compliance cannot be secured by voluntary means. In the case of any action terminating, or refusing to grant or continue, assistance because of failure to comply with a requirement imposed pursuant to this section, the head of the Federal department or agency shall file with the committees of the House and Senate having legislative jurisdiction over the program or activity involved a full written report of the circumstances and the grounds for such action. No such action shall become effective until thirty days have elapsed after the filing of such report.

§2000d-2. Judicial review; administrative procedure provisions

Any department or agency action taken pursuant to section 602, shall be subject to such judicial review as may otherwise be provided by law for similar action taken by such department or agency on other grounds. In the case of action, not otherwise subject to judicial review, terminating or refusing to grant or to continue financial assistance upon a finding of failure to comply with any requirement imposed pursuant to section 602, any person aggrieved (including any State or political subdivision thereof and any agency of either) may obtain judicial review of such action in accordance with section 10 of the Administrative Procedures Act, and such action shall not be deemed committed to unreviewable agency discretion within the meaning of that section.

§2000d-3. Construction of provisions not to authorize administrative action with respect to employment practices except where primary objective of Federal financial assistance is to provide employment

Nothing contained in this subchapter shall be construed to authorize action under this title by any department or agency with respect to any employment practice of any employer, employment agency, or labor organization except where a primary objective of the Federal financial assistance is to provide employment.

§2000d-4. Federal authority and financial assistance to programs or activities by way of contract of insurance or guarantee

Nothing in this subchapter shall add to or detract from any existing authority with respect to any program or activity under which Federal financial assistance is extended by way of a contract of insurance or guaranty.

§2000d-4a. "Program or activity" and "program" defined

For the purposes of this subchapter, the term "program or activity" and the term "program" mean all of the operations of --

(i) if assistance is extended to such corporation, partnership, private organization, or sole proprietorship as a whole; or

(ii) which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation; or

(B) the entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship ; or

(4) any other entity which is established by two or more of the entities described in paragraph (1), (2), or (3);

any part of which is extended Federal financial assistance.

§2000d-5. Prohibited deferral of action on applications by local educational agencies seeking Federal funds for alleged noncompliance with Civil Rights Act

The Secretary of Education shall not defer action or order action deferred on any application by a local educational agency for funds authorized to be appropriated by this Act, by the Elementary and Secondary Education Act of 1965 [20 U.S.C. 2701 et. seq.], by the Act of September 20, 1950 (Public Law 815, Eighty-first Congress) [20 U.S.C. 236 et seq.], by the Act of September 23, 1950 (Public Law 815, Eighty-first Congress) [20 U.S.C. 631 et seq.], or by the Cooperative Research Act [20 U.S.C. 331 et seq.], on the basis of alleged noncompliance with the provisions of this subchapter for more than sixty days after notice is given to such local agency of such deferral unless such local agency is given the opportunity for a hearing as provided in section 2000d-1 of this title, such hearing to be held within sixty days of such notice, unless the time for such hearing is extended by mutual consent of such local agency and the Secretary, and such deferral shall not continue for more than thirty days after the close of any such hearing unless there has been an express finding on the record of such hearing that such local educational agency has failed to comply with the provisions of this subchapter: *Provided*, That, for the purpose of determining whether a local educational agency is in compliance with this subchapter, compliance by such agency with a final order or judgment of a Federal court for the desegregation of the school or school system operated by such agency shall be deemed to be compliance with this subchapter, insofar as the matters covered in the order or judgment are concerned.

§ 2000d-6. Policy of United States as to application of nondiscrimination provisions in schools of local educational agencies

(a) Declaration of uniform policy

It is the policy of the United States that guidelines and criteria established pursuant to title VI of the Civil Rights Act of 1964 [42 U.S.C. 2000d et seq.] and section 182 of the Elementary and Secondary Education Amendments of 1966 [42 U.S.C. 2000d-5] dealing with conditions of segregation by race, whether de jure or de facto, in the schools of the local educational agencies of any State shall be applied uniformly in all regions of the United States whatever the origin or cause of such segregation.

(b) Nature of uniformity

Such uniformity refers to one policy applied uniformly to de jure segregation wherever found and such other policy as may

be provided pursuant to law applied uniformly to de facto segregation wherever found.

(c) Prohibition of construction for diminution of obligation for enforcement or compliance with nondiscrimination requirements

Nothing in this section shall be construed to diminish the obligation of responsible officials to enforce or comply with such guidelines and criteria in order to eliminate discrimination in federally assisted programs and activities as required by title VI of the Civil Rights Act of 1964 [42 U.S.C. 2000d et seq.]

(d) Additional funds

It is the sense of the Congress that the Department of Justice and the Secretary of Education should request such additional funds as may be necessary to apply the policy set forth in this section throughout the United States.
