CERTIFICATION OF BID LAW COMPLIANCE

All owners must certify that any General Contractor selected by the applicant/owner is licensed by the State of Mississippi and certify their compliance with the applicable bid laws. The applicant/owner must acknowledge their compliance with the applicable bid laws by completing and signing the certification of bid law compliance.

Project Name: _____

Project Address: _____
_____
_____
_____

Owner: _____

General Contractor information must be submitted at time of application and the selection of the General Contractor must have been in accordance with applicable competitive bid laws of the State of Mississippi and/or federal and local jurisdictions.

By completing this certification (*select all that apply*):

☐ I (we) certify that the General Contractor listed in this application is licensed by the State of Mississippi.

☐ I (we) certify that the General Contractor listed in this application was selected in accordance with the State of Mississippi (or other applicable federal or local jurisdiction) competitive bid laws.

☐ I (we) certify that the General Contractor listed in this application is not required to comply with State of Mississippi and/or federal and local jurisdiction competitive bid laws.
