PROPERTY MANAGERS PORTAL

The MITAS Property Managers Portal System is designed for the Blight Elimination Program to allow Grantees the ability to upload documentation and request reimbursement draws. All Grantees are given access to the system as a Portal Administrator. Grantees may also issue access to the system to other users (i.e. blight partner) at its discretion. Grantees that have more than one blight partner will be provided with separate log in information for each blight partner.

I. Portal Administrators

A. Log In

The **Manager No.**, **Username**, and **Password** for the Portal Administrator will be included in the Grantee's Award Letter. The Portal Administrator will have access to all information within the portal, including the ability to add additional users and limit the accessibility of each new user.

B. Change Password

Portal Administrators will be assigned a generic password by MHC. It is highly recommended that the Portal Administrator change its password upon first logging into the system. To change the password, click on **Manage Portal Users**. Next to the *User ID* name, click on the pencil  to edit. Enter a new password and then click  to save.

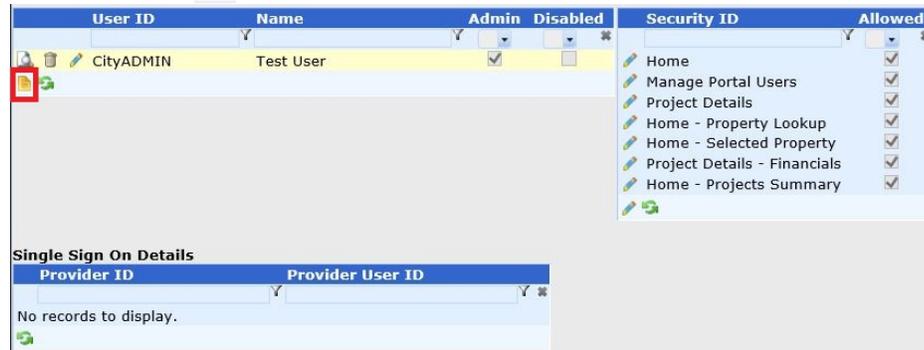

C. Setting-up New Users

1. Add a New User

Only Portal Administrators will have the authority to add new users and assign security rights to each user. To set up a new user, from the **Home** screen, click on **Manage Portal Users**.

Under *UserID*, click on  to add a new user.

User ID	Name	Admin	Disabled	Security ID	Allowed
CityADMIN	Test User	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Home	<input checked="" type="checkbox"/>
				Manage Portal Users	<input checked="" type="checkbox"/>
				Project Details	<input checked="" type="checkbox"/>
				Home - Property Lookup	<input checked="" type="checkbox"/>
				Home - Selected Property	<input checked="" type="checkbox"/>
				Project Details - Financials	<input checked="" type="checkbox"/>
				Home - Projects Summary	<input checked="" type="checkbox"/>

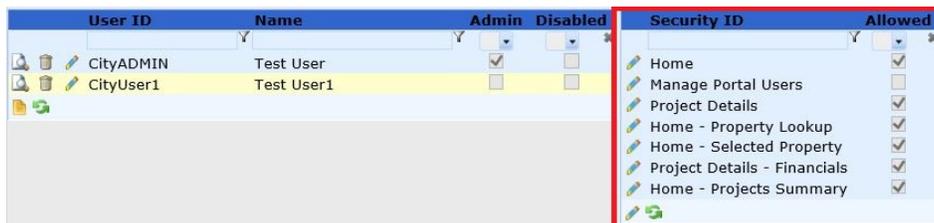

At a minimum, the *User ID*, *Name*, *E-Mail Address*, and *Password* fields must be completed. Passwords must be a minimum of eight (8) characters and must include Uppercase, Lowercase, and Numeric characters. Click on  to save data.

2. Add security rights to the New User

Under *Security ID*, click on  at the bottom to place a check mark on each item the User will have rights to access and  to save. Only Portal Administrators should be given the rights to *Manage Portal Users*. Users that will only upload documentation should only be given access to the *Home*, *Project Details*, and *Home-Projects Summary* screens.

User ID	Name	Admin	Disabled	Security ID	Allowed
CityADMIN	Test User	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Home	<input checked="" type="checkbox"/>

				Home - Selected Property	<input checked="" type="checkbox"/>
				Project Details - Financials	<input checked="" type="checkbox"/>
				Home - Projects Summary	<input checked="" type="checkbox"/>

II. Home Screen

The Home Screen provides a list of all the properties that have been submitted to MHC for inclusion in the BEP. Grantees that will partner with more than one Blight Partner will have a separate log in for each Blight Partner.

The screenshot shows the 'Property Managers Portal' Home screen. On the left is a navigation menu with 'Manage Portal Users'. The main content area includes:

- Property Manager Details:** Shows 'Number: 6', 'Name: Blight Partner #1', and 'Assigned Staff: BEP_User'. A 'Mailing Address' link is present with a note 'No Record Found.' An orange box labeled 'Blight Partner' points to the 'Name' field.
- Managed Properties:** A table with columns: Property Number, Property Name, Owner Tax Id, Property Street Address, City, State, Inactive. A row for 'BEP-000' with 'ABC City' is highlighted. An orange box labeled 'Grantee' points to the 'Property Name' column.
- Projects:** A table with columns: Project #, Name, Stage, Property #. It lists two projects: '1 First Street' and '2 Second Street', both with 'Stage' '*' and 'Property #' 'BEP-000'. An orange box labeled 'List of all properties to be demolished.' points to the entire Projects table.

All properties will be listed under the **Projects** category on the Home screen. Click on a property to view property details, upload documents for the property, and/or request draws.

This close-up highlights the 'Projects' table with three red boxes around key columns:

- Project #:** Contains 'BEP-000A-001' and 'BEP-000A-002'. An orange box labeled 'Property Identification Number' points to this column.
- Name:** Contains '1 First Street' and '2 Second Street'. An orange box labeled 'Property Address' points to this column.
- Property #:** Contains 'BEP-000' and 'BEP-000'. An orange box labeled 'Program Number' points to this column.

III. Property Details Screen

A. Property Details Main Menu

Once a property is selected, the following screen will allow the user access to the property details. The Portal Administrator may limit the accessibility of this screen for other users at its discretion (see Section I(C)(2)).

To request a draw:

1. Enter Required Data

To request a draw, under **Request New Draw**, enter the following:

Date: Enter current date

Source: Select which source of funds to draw from:

MHC Revolving Loan Fund

Grantees will have the option of utilizing MHC's Corporate Revolving Loan Fund for interim financing of the acquisition (if applicable) and demolition costs. Grantees utilizing this option may request up to three draws (acquisition costs, pre-demolition costs, and demolition costs) prior to HHF funds being disbursed.

HHF

Grantees that utilize their own funds for interim financing may request a draw from HHF after completion of the demolition and submission of all BEP required documents.

All Grantees, regardless of which source of interim financing is used, may request draws from HHF to reimburse for property maintenance, property taxes, and admin fees on an annual basis.

Memo: Enter the draw number (e.g. Draw #1).

Amount: Enter the amount being requested for each line item.

Contractor: Select the name of the entity/individual that was paid for the service. The selection will be based on the vendor names provided on the Property Demolition Cost Estimate Worksheet (HHF/BEP Form 0210).

2. Submit Request

After entering data, click on **Create Draw Request**. Make sure all information is correct before clicking on **Ok** in the popup box. Once a draw request has been created, it cannot be deleted.

3. Draw Request Approval

MHC will process each request as submitted. Upon approval and release of the funds, MHC will post the *Pay To*, *Paid Date*, and *Check/Wire #* under **Project Draws and Draw Requests**.

IV. Miscellaneous Tips

A. Automatic System Log-off due to Inactivity

The MITAS System will automatically log a user off after 20 minutes of inactivity. Prior to automatic log off, a timeout warning message will appear to prompt the user to click *Preserve Session* button in order to continue working in the system.

If a user does not click on the button within three (3) minutes, then the system will automatically log the user off.

B. Forgotten Passwords

A generic password is assigned to the Portal Administrator for the Grantee at the time of issuance of the Award Letter. Grantees are encouraged to change their password immediately. In the case of a forgotten password, Grantee must contact MHC for a new password to be issued.

C. Documents Specification

Documents uploaded to the system may not be larger than 100 mb and must have a file extension of doc, docx, pdf, xls, xlsx, jpg, jpeg, gif, bmp, tiff, or png. Grantees must contact MHC for instructions on submitting documents that are larger than the maximum limit. Once a file has been uploaded, it cannot be deleted.

D. Budget Line Items

The Project Use Budgets will list all line items listed on the Property Demolition Cost Estimate (HHF/BEP Form 0210) form submitted to MHC by the Grantee. Once MHC enters the data into the MITAS System, it may only be changed by submitting a revised form and obtaining MHC approval. Written explanation of the change must accompany the request.

E. For More Information
