Re: MCC Program Bulletin #65 – 2023 MCC Income Limits

This bulletin serves to notify participating lenders and servicers that the 2023 income limits have been released. The new income limits will become effective with loan applications (1003) taken on or after 6/16/2023. If you are working on loans with an application taken prior to 6/16/2023 you will still be required to follow the 2022 income limits.

Please feel free to contact the Single-Family staff if you should have any questions regarding the income limits for 2023. The 2022 income limits are still available online for loan applications taken prior to 6/16/2023.
