Re: MRB7 Program Bulletin #20 – Mortgage Addendums

This bulletin serves to notify participating lenders and servicers that MHC has removed the Witness signature requirement from the FHA and Fannie/Freddie Mortgage Addendums that are prepared and recorded with the first mortgage Deed of Trust. There was no witness signature line on the VA/USDA addendum. The forms have been updated on the Internet Loan Registration Site.

Please feel free to contact the Single- Family staff if you should have any questions.
