**Re: MRB7 Program Bulletin #7– 2019 Income Limits**

This bulletin serves to notify participating lenders and servicers that the 2019 income limits have been released. To access the list, go to MHC's website and select the Lender link then select the MRB Lender Resources link. The new income limits will become effective with applications taken on or after 5/10/2019. **If you are working on loans with an application taken prior to 5/10/2019 you will continue to use the 2018 income limits.**

Please feel free to contact the Single-Family staff if you should have any questions regarding the income limits for 2019. The 2018 income limits are still available online for loan applications taken prior to 5/10/2019.
