**Re: SMART SOLUTION PROGRAM BULLETIN #12
Revised Request for Funding Checklist**

This bulletin serves to notify Smart Solution participating lenders that ServiSolutions has revised the Request for Funding Checklist that will become effective with loans submitted for purchase beginning October 15, 2017 found on MHC's website or ServiSolutions website.

The checklist was revised to include FHA, VA, Fannie Mae and USDA RD regulations/changes that went into effect after the last checklist was published. ServiSolutions has posted the revised Checklist on their website <http://servsol.com/lenders/mhc-documents>. The current checklist can still be found on the same website.
