This bulletin serves to notify Smart Solution participating lenders that due to recent changes in the mortgage insurance industry, ServiSolutions, Smart Solution program Master Servicer and MS Home Corporation (MHC) would like to remind our lender partners of the current acceptable mortgage insurance providers that can be utilized. Please ensure to use one of the following providers:

- 1) Arch
- 2) Essent
- 3) Genworth
- 4) MGIC
- 5) Radian
- 6) **National MI**

This list is subject to change. ServiSolutions and MHC will notify you if this should occur in the future.

If you have any questions, please contact Brian Hunt, ServiSolutions Compliance Supervisor, at BHunt@ahfa.com or Betty Temple, MHC Sr. Vice President of Single Family Program Operations at Betty.Temple@mshc.com if you have any questions.
