INTRODUCTION

The Mississippi Home Corporation (the “Corporation” or “MHC”), was created in 1989 to serve as the State’s Housing Finance Agency. MHC was charged with raising funds from private investors to finance the acquisition, construction and rehabilitation of residential housing for persons of low to moderate income within the State. MHC currently administers the Mortgage Revenue Bond Program, the Mortgage Credit Certificate Program, the Smart Solution Program, the Down Payment Assistance Program, the Low-Income Housing Tax Credit (“LIHTC”) and the HOME Program, as well as several specialty housing programs within the state of Mississippi.

With regard to the Smart Solution program, the lender determines if the mortgagor, loan, and property are within guidelines as stated in Sections II, III, and IV of the Smart Solution Procedures Manual based upon information obtained. The lender must explain the Program and its requirements to the buyer.

The lender reserves funds and sends to MHC the reservation package as stated in Section V of the Smart Solution Procedures Manual.

The lender processes and underwrites the loan as stated in Sections VI and VII of the Smart Solution Procedures Manual. The lender sends to MHC the Request for Conditional Commitment package before closing as stated in Section VI of the Smart Solution Procedures Manual. Upon approval of the loan the lender will receive from MHC a conditional commitment. The lender may then close the loan with the conditions listed on the conditional commitment. The lender must have the loan approved by MHC and close the loan before the reservation of funds expires.

After the loan closing, the lender sends to the Servicer the closed loan package as stated in Section VIII of the Smart Solution Procedures Manual. Upon receipt and approval of the closed loan package, the Servicer will fund the mortgage loan as stated in Section IX of the Smart Solution Procedures Manual.

The purpose of this manual is to provide pertinent information and to enhance any current guidelines established by MHC for the Smart Solution Program. Applicable Program Guidelines and the Origination and Sale Agreement supersedes this Manual. Please utilize the appropriate applicable documents. MHC reserves the right to update or revise the Smart Solution Procedures Manual at any time.

### SECTION II—MORTGAGOR ELIGIBILITY EVALUATION

A. **Income Restrictions.** MHC has adopted a single income restriction for the program. The annual family income of the mortgagor may not exceed $80,000. Annual family income will be calculated to include the income of anyone over 18 years of age who will reside in the home. MHC may revise the income eligibility criteria in the future.

B. **Occupancy.** Mortgagor must occupy the residence as their Principal Residence within 60 days after the closing and thereafter as their principal and permanent residence.

C. **Residence Used as Vacation, Seasonal, Rental, Recreational or Second Home.** The Mortgagor cannot purchase the residence for use as a rental, recreational, seasonal, vacation or second residence.

D. **Legal Separation.** Legal separation agreements are not acceptable documentation in the determination of a household’s eligibility. Lenders must treat separated occupants as married and the separated spouse must meet all Smart Solution guidelines as established in Sections II, III, & IV of this manual.

E. **Homebuyer Education.** All homebuyers must complete an MHC approved homeownership education course prior to loan closing. The Originator must submit the certificate of completion with the compliance file. Certificates of completion must be dated within one year of loan reservation to MHC. Acceptable forms of counseling include face-to-face, Frameworks and on-line private mortgage insurance homebuyer education courses.

F. **Credit Score Requirement.** The primary wage earning, occupying borrower must have a middle credit score of at least 620 for FHA, VA or RD and Fannie Mae Conventional loans to be eligible for the program. In the case the primary wage earner has only two scores, the lower of the two scores must be used. In the case the primary wage earner has only one score or does not have a credit score, the borrower would not be eligible for the program. The primary wage is defined as the occupying borrower with the highest monthly income. All other occupying borrowers must meet the minimum FHA, VA, RD or private mortgage insurance company credit score requirements.

G. **Total Debt-to-Income Ratio (TDTI).** The TDTI ratio may not exceed 45 percent for the Smart Solution program. When using the “HFA Preferred” conventional product, the lender must adhere to current private mortgage insurer and Fannie Mae TDTI requirements. TDTI ratio should be based on the lender’s qualifying total income and total debts. To verify TDTI, the following documentation must be submitted with the compliance package:

- DU Findings or FHA Total Scorecard Findings (FHA, VA)
- DU Findings only (conventional)
- GUS Findings (RD)

**AND**

- HUD Form 92900-LT (FHA Loan Underwriting and Transmittal Summary) for FHA loans
- 1008 for Conventional and RD loans
- VA Loan Analysis (VA 26-6393)
Once the closed file is received, the Servicer’s Funding and Delivery Department will ensure the final TDTI meets program guidelines by reviewing the final Automated Underwriting Findings and the final Loan Underwriting and Transmittal Summary. Loans not meeting program requirements will not be purchased.

H. **AUS Findings.** MHC will not accept manual underwriting for FHA/Conventional/RD and VA loan approvals. We accept DU or FHA Total Scorecard Findings resulting in Approve/Eligible or Accept/Accpet that is consistent with FHA, VA or RD guidelines, and DU findings resulting in Approve/Eligible consistent with conventional guidelines. DU/FHA Total Scorecard submissions for FHA loans resulting in a Refer decision will be ineligible for delivery to the Servicer. DU submissions resulting in a Refer decision will be ineligible for delivery to the Servicer. We accept GUS Findings resulting in RD approvals.

I. **Tax Liens.** Any borrower or spouse who will hold title with unpaid, unsatisfied, and/or unreleased federal or state tax liens is not permitted under the Smart Solution Program. We will not accept repayment plans on files with an established lien. All liens must be satisfied prior to approval and evidence to support the release included in the loan file.

J. **Federal Tax Return Transcripts.** The lender must be able to provide the most recent year’s IRS tax transcripts for each occupying borrower and non-borrower(s), 18 years of age and older. Self-employed borrowers are required to provide the most recent two years’ transcripts and a year-to-date profit and loss statement. Any late filers or IRS responses of “no record of tax return being filed” where returns were applicable will have to be satisfactorily resolved before the loan will be eligible for Smart Solution. Extensions will not be accepted by MHC.

K. **Previous Foreclosure.** Borrowers with a previous foreclosure must wait three years before applying for financing through MHC’s homeownership programs. In addition, they must have established two new credit lines (as reported on the credit report) following the foreclosure sale with an acceptable pay history, and they must have a 660 minimum credit score (middle score). Non-traditional credit accounts will not be acceptable as new accounts. The Lender must receive an Approve/Eligible underwriting decision. Manually underwritten loans will not be eligible for the program.

SECTION III—LOAN ELIGIBILITY EVALUATION

A. **Permitted Encumbrances.** All Mortgage Loans must be secured by a first lien on the fee simple title or leasehold estate to the Residence. Permitted Encumbrances are those liens, covenants, conditions and restrictions, rights of way, easements and other matters of public record as of the date of the recording of the related Mortgage. These encumbrances must be permitted under Fannie Mae and Ginnie Mae, as applicable.

B. **Types of Loans.** In order to qualify under the program, each mortgage loan must be insured by FHA, VA, RD or Fannie Mae. **203(k) loans are NOT eligible for inclusion in the Smart Solution program.**

C. **Amount of Mortgage Loan.** The maximum amount of any Mortgage Loan may not exceed the applicable product maximum mortgage amount and the applicable debt to income ratio requirements of Fannie Mae and Ginnie Mae as of the closing date of the Mortgage Loan.

D. **New Mortgage Requirements.** No refinancing of any outstanding indebtedness shall be permitted except with regard to take-out loans. A take-out loan may be made to permit an Eligible Mortgagor to finance a residence which qualifies as a newly constructed residence under the Program Guidelines.

If warranted by the circumstances, an Eligible Mortgagor shall be considered as both a Mortgagor and a seller with respect to take-out loans. A newly constructed residence is considered a residence which has not previously been occupied, and is less than one year old.

SECTION IV—PROPERTY ELIGIBILITY EVALUATION

A. **Eligible Loan Area.** The Eligible Loan Area shall be the entire geographic boundaries of the State of Mississippi.

C. MHC Requirements for Repair Escrows. MHC must issue prior approval for any repair escrow. The Lender must furnish MHC with a copy of the escrow agreement and copies of work bid estimates, along with the request for approval. In order to qualify for a repair escrow, the following terms must be met and included in the escrow agreement:
   1. Repair escrow funds must be held and disbursed by either the originating lender or the closing agent.
   2. Repair escrow funds must be equal to 150% of the repair estimate amount.
   3. Repairs must be completed within 10 days of closing.
   4. No structural repairs are permitted.
   5. A copy of the final inspection must be forwarded to MHC within 5 days of completion.
   6. The maximum repair cost amount is $10,000 with a $15,000 repair escrow.
   7. Lender may charge an inspection fee not to exceed 2% of the repair cost.

SECTION V—RESERVATION SECTION

A. Reservation Procedure. Subject to the funding restrictions and applicable reservations, applications for mortgage loans will be accepted from all designated lending offices of the Lender. Reservations will be made on MHC’s Online Reservation Site at www.mshomecorp.com & Select “For Lenders” link on a first-come, first-served, fair and equal basis irrespective of race, color, religion, national origin, age, or sex.

Prior to making a reservation request, the Lender must have underwritten, through delegated underwriting, a mortgage loan application from a potential Eligible Mortgagor. The mortgagor furnishes the Lender an earnest money sales agreement or construction contract entered into by the seller/builder of a Residence and the Eligible Mortgagor. The Program processing is designed to complement the Lender’s regular credit and underwriting procedures. No formal notice of rejection of a Smart Solution loan is required of MHC under the Equal Credit Opportunity Act since MHC does not make credit approval decisions. MHC recognizes the procedural variations among participating lenders.

The following steps are for the reservation and loan processing process:
   1. The Eligible Mortgagor applies for mortgage financing from a participating Lender.
   2. The Lender determines if the loan applicant is eligible for the Smart Solution Program based on preliminary information obtained on annual income.
   3. All mortgage loans must be originated in compliance with, and must conform to the provisions of all applicable rules, regulations and limitations of FHA, VA, RD, Ginnie Mae, and Fannie Mae as appropriate.
   4. Lender processes loan application and receives delegated examiner approval, if a MHC approved Delegated Examiner.
   5. Lender reserves the loan through MHC’s online reservation system for the program.
6. Lender submits nonrefundable reservation fee payment, if applicable, through MHC’s merchant bank account system and prints receipt.

Each Lender is to assign user names and passwords to designated employees responsible for making requests for Reservations of Funds. All reservations must be made through MHC’s online reservation system, www.mshc.com/mitaslive/. Fax requests for reservations will be accepted if the web site is unavailable for more than 24 hours. In that event, fax reservations will be accepted temporarily until the site resumes operation. Fax requests from a Lender, other than as noted herein, will not be honored by MHC.

MHC, at its sole discretion, may continue to accept reservation requests in the manner specified even though the available funds may be fully reserved. These reservation requests may be eligible for funding on a first-come, first-served basis under any future Smart Solution programs.

B. Reservation of Funds/Rate Commitment Form. Beginning on a date designated by MHC, the participating Lender may request Reservations of Funds online at www.mshc.com/mitaslive/. The Lender completes the Reservation of Funds/Rate Commitment Form, before reserving funds and has the borrowers to sign the form. Upon input of the information from the Reservation of Funds/Rate Commitment Form, the online system will automatically issue a commitment number and the expiration date of the reservation. The Lender should place this information on the Reservation of Funds/Rate Commitment Form for future reference and print a copy of the reservation acceptance to include with the Smart Solution package.

NOTE: The Lender is responsible for making the reservation in a timely manner while the rate is still available. The Smart Solution rate is subject to change daily with market activity. MHC cannot honor a lender’s disclosure to a borrower without an actual loan reservation confirmation issued from MHC’s online Reservation system and a reservation fee receipt, if applicable.

C. Reservation Document Delivery. Upon receipt of the Reservation Confirmation, the Lender must furnish MHC with the Reservation Package as stated on the Smart Solution Transmittal Checklist (Step 1). MHC must receive these documents within 72 hours (three working days) of receipt of a reservation number. Failure to deliver the requested documentation to MHC within the time specified may result in cancellation of the Reservation of Funds and Rate Commitment. Documentation should be uploaded to MHC’s online Reservation site. Faxed documentation is not acceptable.

D. Reservation Expiration Date. The initial reservation of funds will be for 30-days.

1. A 15-day extension can be requested by uploading the Notification of Change form at no cost;
2. 30-day extension fee cab be requested by uploading the Notification of Change form at a cost of 0.250% of the total loan amount for FHA, VA, Conventional, and RD loans that must be paid on-line through the “Pay Program Fee” link. The loan will not be extended until the extension fee has been submitted to the Corporation.

E. Lock Policy. The purpose of this policy is to enhance MHC’s Smart Solution program by offering specific rules and guidelines in areas that were previously handled on a case-by-case basis.

1. Extensions
   (a) 15-day extensions are available on 30-day reservations.
   (b) The cost for a 15-day extension is waived at this time. The cost of a 30-day extension after the first 15-days is .25% of the loan amount.
   (c) Extensions must be requested on or before the reservation expiration date by completing and uploading the Notification of Change form.
   (d) A maximum of two extensions are available on a 30-day reservation.
   (e) The 30-day extension fee must be paid online at “Pay Program Fees” to MHC within 72 hours of the extension request or the reservation will expire and the extension opportunity will be lost.

2. Re-locks
   (a) Re-locks are available at worst-case pricing for expired reservations or reservations that have been extended the maximum amount of time allowed.
   (b) Re-locked loans must pay an additional reservation fee, if applicable. (Not applicable at this time.)
   (c) Reservations that are not expired may not re-lock.
   (d) A reservation to the borrower must be expired for 60 days to get current market (better) rate.
   (e) Lenders must notify MHC staff when borrowers transfer to other lenders and wish to keep their reservation.
3. Expired reservations
   (a) Loans not closed prior to the reservation expiration date will be charged an appropriate extension fee.
   (b) The penalty will be netted from the loan funding proceeds.
   (c) Prior approval of MHC is required to close the loan.

4. Late Delivery
   (a) Loans that are not delivered in fundable format within 10 days of the reservation expiration will not be paid
       per-diem interest from the 10th day until the funding date.
   (b) Loans that are not delivered in fundable format within 60 days from the reservation date expiration will be
       charged a late delivery penalty of .25%.
   (c) Loans that are delivered in a fundable format more than 100 days from the date of the reservation will be
       purchased on a best-efforts basis at worst-case pricing and will be charged the late-delivery penalty of .25%
       for having missed the initial 60 day delivery deadline. Effective 1/16/2017.
   (d) Late delivery penalties will be netted from the loan funding proceeds.

5. Definitions
   (a) Worst-case pricing: The higher of either the original lock rate or the currently offered rate at the time of the
       request or at the time of the funding, if no request is made. Alternatively, if the rate cannot be changed, the
       lower of either the original lock price or current market price as determined by MHC at the time of the request
       or at the time of the funding, if no request is made.
   (b) Days: All references to days shall be calendar days.

F. Cancellation of Reservation. If it is determined that the proposed mortgagor does not qualify for the program, the reservation must be
   canceled. If MHC determines that a mortgage loan application was taken by Lender after the date the Lender submitted its request for
   Reservation of Funds, the reservation will be canceled. Any reservation fee previously paid, if applicable, is non-refundable and Lender
   may be subject to Restrictive Reservation Authority by MHC.

   Written notification must be sent to MHC immediately if it is determined that the mortgagors do not meet Smart Solution Program
guidelines.

   Lenders who repeatedly make Smart Solution reservations, but fail to follow through with the loan process may be expelled from the
program.

G. Transfer of Reservation. MHC will allow a transfer of any Reservation of Funds from one approved lender to another, with MHC approval.

SECTION VI—LOAN PROCESSING & UNDERWRITING PROCEDURES

A. Request for Conditional Commitment Package. The Lender performs the customary verifications for loan underwriting as required by the
   Origination and Sale Agreement. The Originator completes the remainder of the mortgage application process and sends to MHC the
   Request for Conditional Commitment Package as stated on the Transmittal Checklist (Step 2). Upon receipt of the required documentation,
   the package is placed in a first-come, first served order and processed within 72 hours (three business days) beginning the next business
day.

   **Delegated Examiners only:** The Lender completes the remainder of the mortgage application process and sends to the Delegated
   Examiner the Request for Conditional Commitment Package as stated on the Delegated Examiner’s Transmittal Checklist (Step 2). Upon
   receipt of the required documentation, the Delegated Examiner will review the package and make a compliance determination. The
   Delegated Examiner will e-mail a decision to compliance@mhc.com using the Delegated Conditional Commitment form.

B. Request for Conditional Commitment. The Request for Conditional Commitment package and the reservation package will be compared at
   the time the Request for Conditional Commitment package is received.

   **Delegated Examiners only:** The Request for Conditional Commitment package and a copy of the reservation package will be
   compared by the Delegated Examiner at the time the Request for Conditional Commitment package is received by the
   Delegated Examiner.

   The following criteria will help ensure accuracy and consistency in files when reviewed:
1. **Reservation Fee.** The non-refundable reservation fee, if applicable, is to be checked to ensure the amount reserved is covered. The reservation fee should be paid within 72 hours, if applicable, of loan reservation and should agree with the amount shown on the Reservation of Funds/Rate Commitment Form. If the amounts do not agree, a request in writing for a decrease or increase is needed. (Amounts that increase will require additional funds to cover the reservation fee, if applicable, and are subject to the availability of funds.) See Section X, Modifications, for more information.

2. **Request for Conditional Commitment.** The Transmittal Checklist must be completed thoroughly. MHC will check the income reflected on the Income Calculation Worksheet to ensure compliance with applicable limits. Information provided on the worksheet should agree with the Reservation of Funds/Rate Commitment Form, Handwritten/Initial loan application and the sales contract (name, property status, etc.).

**Delegated Conditional Commitment (Delegated Examiners only).** The Delegated Examiner’s Transmittal Checklist must be completed thoroughly. The Delegated Examiner will check the income to ensure compliance with applicable limits. Information provided should agree with the Reservation of Funds/Rate Commitment Form, handwritten/initial application and the sales contract (name, property status, etc.).

3. **Handwritten/Initial Loan Application.** The handwritten/initial loan application should be completed, signed, and dated by the mortgagors and lender. All information should agree with all applicable areas of the Reservation of Funds/Rate Commitment Form and sales contract as follows:
   - Names of the mortgagors.
   - Property information section.
   - Number of dependents.
   - Marital status.
   - Residency history.
   - Employment (income purposes).
   - Other income section (to ensure all income has been included).
   - Schedule of real estate owned section (to establish whether the borrowers have rental property, owns a lot or presently owns a home. Additional income may be received from these sources).
   - Assets section to ensure all funds which are not a part of closing are included in the annual family income, i.e., interest and dividends earnings.
   - Declaration section reflects the mortgagor’s intent to occupy the property as their primary principal residence.

4. **Fully Executed Sales Contract.** Any changes or addendums to the sales contract must be reviewed by MHC prior to closing. Changes in the sales price will require an amended sales contract. All changes are to be initialed by all parties involved.

   All areas of the sales contract are to be completed and properly executed by the mortgagor and seller where applicable. The following areas should be consistent with all applicable areas of the Reservation of Funds/Rate Commitment Form and handwritten application.
   - Names of the mortgagors.
   - Sales Price.
   - Property address.
   - Loan Type: FHA, Conventional, VA or Rural Development.
   - Real estate agency’s name and address.
   - Number of days for the seller to surrender possession is 60 days or less after loan closing.
   - Signatures of the sellers and buyers with dates.

**SECTION VII—INCOME GUIDELINES FOR SALARIED & SELF-EMPLOYED MORTGAGORS**

**A. Salaried Mortgagors**

1. **Gross Monthly Income.** Gross monthly income includes: gross monthly pay, any additional income from overtime, part-time employment, bonuses, dividends, interest, royalties, pensions, Veterans Administration (VA) compensation, net rental income, etc.; and other income (such as alimony, child support, public assistance, sick pay, social security benefits, unemployment compensation, income received from trusts, and income received from business activities and investments, etc.) Overtime pay and bonuses are to be projected in an amount consistent with the earnings history of each household member.
The income to be taken into account in determining the gross monthly income is the income of any person who is expected to live in the residence being financed. The income of a person who is under 18 years of age and a full-time student (excluding the mortgagors) will not be included in the gross monthly income.

Persons over 18 years of age who are not employed and do not intend to seek employment within the next 12 months will be required to sign a statement. Please refer to Form named Employment Statement.

2. **Verifications of Employment.** When checking verifications of employment, all areas of the verification should be completed and executed by the employer. Make sure all income has been derived (i.e., raises, bonuses, commissions, car allowance, etc.). Verify that pay stubs and verifications are consistent with one another. If they differ, an explanation must be provided. Previous year earnings (overtime, etc.) should be consistent with current year earnings. If not, it may be necessary to use only year-to-date figures depending upon the increases the mortgagor has received (overtime, raise, etc.). Verifications of Employment must be updated if they are more than four months old at the time of closing.

When reviewing verifications, watch for certain types of employment, i.e., ministers, nurses, etc., which have unusual income. For example, a minister’s income usually consists of a base income, utilities allowance, housing allowance, insurance allowance and car allowance. A nurse’s income usually consists of a base income, overtime, and shift differentials for night and weekend pay, which in most cases differ. Be very cautious when calculating income for these types of employment to ensure all income has been included in the calculations.

If a letter is used in lieu of the original verification form, it must contain all items covered in the original verification.

3. **Pay stubs.** Pay stubs covering the most recent 30-day period are required on all loans and income must be consistent with the Verification of Employment or W-2 form. Pay stubs must be dated within 30 days of submission.

4. **Income History.** If the prospective mortgagor has additional earned income and has a history of such earnings, then the income is to be included in the gross monthly income. If the income is earned only within the current year with no prior history, and will not continue after closing then a statement from the employer stating the earned income, (i.e., overtime, etc.) will not continue is required.

5. **Alternative Documentation.** MHC allows documentation for the verification of employment with the following requirements:
   (a) Pay stubs covering the most recent 30-day period which reflect the mortgagor’s name, Social Security number, hourly rate of pay, number of hours worked per pay period, and year-to-date earnings.
   (b) Copy of the past two-years’ W-2 forms or 1099 which includes the mortgagor’s name, Social Security number, company name, and total compensation, or a standard Verification of Employment (VOE) completed and signed by the employer.
   (c) Telephone certification.

6. **Averaging Income.** Income is averaged for overtime, commissions, and any other income (except base earnings) over a period of no less than 15 months, but no more than 27 months. However, if income over base earnings is not consistent with past years’ earnings, or the income history is less than 15 months, MHC will determine the period for income calculations.

7. **Overtime Earnings.** Income earned from overtime will be included if the borrower has a history of such income or the income was earned during the current year. The verification of employment form from the employer must explain how much overtime is expected if any, and at what rate of pay.

8. **Bonus.** The gross amount of recurring bonuses is to be included in the income calculations if:
   (a) The bonus is part of a collective bargaining agreement and must be paid; or
   (b) The bonus is included in the computation of income by the employer; or
   (c) There is a history of bonuses.

If there is a history of bonuses but the applicant does not know if a bonus is planned, nor does the employer divulge its plans for a bonus or the projected amount, an average of past years’ bonuses will be calculated as income. A bonus history for Smart Solution purposes is to be considered for one year or more.

The bonus is not to be included in the annual family income if there is no history of a bonus and the bonus is totally discretionary by the employer and wages of the applicant are the basic source of income. The file must be documented with a statement from the employer.
9. **Rental Properties or Contract Income.** Rental income and contract income are determined by subtracting the monthly mortgage payment from the gross rental income. Depreciation should be added back to net rental income where applicable. Contract income (income derived from the mortgagor selling property with owner financing) is to be used in calculating annual family income. The use of standard underwriting criteria to document this income is acceptable (i.e. copies of leases & mortgage verifications).

10. **Child Support/Alimony.** Child support and alimony must be included in the annual family income and a copy of the final divorce decree is required. If the mortgagors have not received child support or alimony for the past 24 months and to their knowledge, none is forthcoming, a statement from the mortgagors is required (see Child Support Statement).

11. **Education Grants.** The portion of the income from grants that is used for living expenses is to be added to the annual family income if this income will continue for the next 12 months.

12. **Employee Benefits Program.** Some companies offer an employee benefits program designed to let employees create their own insurance package. The monthly amount is usually shown separately on the pay stub, yet included in year-to-date earnings. The pay stub usually shows the monthly amount actually spent on this plan. A letter from the employer is needed to verify the actual cost of this plan year-to-date, in order to determine if the employees received funds over the actual cost. In this case the additional unused portion would be included in the annual family income.

If the mortgagor receives monthly income for the employee benefit program and elects not to purchase benefits offered by the program, then the full amount will be added to the annual family income.

13. **Permanent Seasonal, Seasonal & Temporary Income.** Include all permanent seasonal, seasonal and temporary earnings when calculating annual family income.

14. **Social Security/VA Benefits.** Social Security income should be verified with an Awards letter obtained from the Social Security office. VA benefits should be verified with a benefits letter from the Veterans Affairs Office.

15. **Lump Sum Payments.** Lump sum payments, including but not limited to, inheritance, reenlistment bonuses, and disbursements from insurance policies do not have to be included in the annual family income. However, interest income on investments must be included and calculated at the current passbook rates over a 12-month period. If the income is received in any other form other than lump sum (i.e. monthly or annual), then it must be treated as permanent income and added to the annual family income.

16. **Capital Gains/Loss.** Both taxable and non-taxable portions of capital gains are to be included as income if a history of this income exists. If the two-year average results from the tax returns is a gain, then it must be added to annual family income (losses cannot be used to reduce annual family income).

17. **Pension and Stock Withdrawals.** Withdrawals of principal funds from pension or stock sources are not considered income. However, annuity or interest payments under a pension or stock investment program are considered income. Verification of benefits will be required, i.e., federal tax returns, statement of benefits, etc.

18. **Interest, Dividend and Royalty Income.** Interest, dividend and royalty earnings are considered income. Current interest and dividend earnings are calculated at current passbook rates over a 12-month period. Income calculations for royalties are calculated by net earnings and interest. Earnings from IRAs and 401Ks are not included. Documentation will be required to verify these sources of income, i.e., federal tax returns, statement of benefits and contract agreements for royalty income.

19. **Exclusion from Gross Monthly Income.** Gross monthly income shall not include casual, sporadic or irregular gifts; amounts that are specifically for or in reimbursement of medical expenses; inheritances; insurance payments (including payments under health and accident insurance and workmen’s compensation, other than payments in lieu of earnings); settlement for personal or property losses; amounts of education scholarships paid directly to the student or the educational institution and amounts paid by the government to a veteran for use in meeting the costs of tuition, fees, books and equipment, but in either case only to the extent used for such purpose; special pay to active military personnel exposed to hostile fire; and foster child care payments.

B. **Self-Employed Mortgagors**

1. **Annual Family Income.** The procedure to calculate annual family income for self-employed mortgagors requires the following:
Depreciation and depletion is to be added back to the adjusted gross income (AGI) on all self-employed mortgagors. Two years’ current signed individual federal income tax returns with all applicable schedules. Year-to-date Profit & Loss (if applicable). U.S. Partnership Returns and U.S. Corporate federal income tax returns with all schedules and W-2 form (where applicable), with individual federal income tax returns (form 1040).

Income must be averaged over a period of no less than 15 months, but no more than 27 months. Self-employed mortgagors may need two years of federal income tax returns with a current Profit and Loss. After April 15 each year, the most “current year” federal income tax returns are required.

2. **Sole Proprietorship.** Sole Proprietorship is a business owned by one person. IRS form 1040—Schedule C or Schedule C-EZ is required. Sole Proprietorship income is detailed on Form 1040 (Schedule C) of U.S. income tax returns. This form will list all income, depreciation, and depletion which is added back to the AGI.

3. **General Partnership.** A General Partnership is a business owned by two or more partners. Each partner is personally liable for all debts of the business. Each partner is responsible for all other partners. The following documents are required:

   (a) IRS form 1065—Schedule K-1 & Schedule E, Part II.
   (b) U.S. Partnership Returns with all applicable schedules.

General Partnerships require income to be calculated on form 1065 of U.S. Partnership Returns, to determine the share of net income distributable to each partner. This is reported on Schedule K-1 of form 1065 and on the individual’s Schedule E, Part II; this amount is included in the AGI on form 1040. Note: The total depreciation and depletion will be determined by the number of the partners, and should be divided to determine what percentage or total dollar amount to be added back for each partner.

4. **Limited Partnerships.** Limited Partnerships are usually formed for investing money. Limited partners often take a loss on their investment, which reduces their taxable income. Liability is limited to the amount invested. The following documents are required:

   (a) IRS form 1065—Schedule K-1 & Schedule E, Part II.
   (b) U.S. Partnership Returns with all applicable schedules.

Limited Partnerships require income to be taken from Schedule K-1 (form 1065), and the individual’s Schedule E, Part II; this amount is included in the AGI on form 1040.

5. **S-Corporation.** Usually a small start-up business requiring the following documentation:

   (a) IRS forms 1120/1120S—Schedule K-1, Schedule E, II.
   (b) Verification of W-2 earnings.

S Corporation’s income is detailed on form 1120S (US federal income tax return for an S Corporation). Schedule K-1 will list borrower’s percentage of ownership and ordinary income, depreciation and depletion from the S Corporation (this information is transferred to Schedule E, Section II of the individual income tax returns). This income must be proportionately added back as determined by the percentage of ownership to the ordinary income since depreciation and depletion are actually non-cash expenses. The primary source of income for an owner comes from W-2 wages, which must be included in earnings in addition to corporate earnings.

6. **Corporation.** A Corporation requires a state charter and is a separate legal entity from its owners (stockholders). The Corporation’s profits (retained earnings) are put back into the business or are distributed to stockholders in the form of dividends. Stockholders are not responsible for the debts of the Corporation. The following documentation is required to determine eligibility:

   (a) U.S. Corporation Income Tax Returns, form 1120 & Schedule L, (if applicable).
   (b) W-2 form.

Corporations require income to be taken from the IRS form 1120, and Schedule L will show the current year corporate balance sheet. Income to the officers and stockholders is reported by W-2 forms and reflected on their individual form 1040.
Dividend earnings are reported on 1099 forms and reflected on their individual returns.

C. Non-Borrowing Spouses, Partners, All Other Occupants 18 Years or Older

MHC programs require the income to be documented for the total household. Total household income is defined as the individuals 18 years of age or older who intend to occupy the property within the next 12 calendar months, even if they are not a party to the loan.

Documentation required for submission in Step 2:

2. Either full income verification or alt doc income verification as required for all salaried or self-employed borrowers, or a signed Employment/Income Statement, if the occupant does not have ANY source of income.
3. Documentation of Social Security benefits, pensions, annuities, if applicable.
4. Most recent year’s IRS tax return transcripts.

D. Currently Separated or Separating Spouses

All separated spouses’ income documentation must also be submitted to MHC compliance in Step 2. This is regardless of whether the separated spouse is a party to the loan, or even intends to occupy the property. The State of Mississippi, for MHC purposes, does not recognize “separated.” The parties are considered either married or divorced.

Documentation required for submission in Step 2:

2. Full income documentation or alt doc documentation.
3. Separation Agreement, including any Property Settlement Agreement.
4. Most recent year’s IRS tax return transcripts.

E. Co-Signer/Non-Occupant Guarantors

Co-Signer/Non-Occupants and Guarantors are allowed, provided that the following conditions are met:

1. The Co-Signer/Non-Occupant or Guarantor is acting in such a capacity solely for the purposes of providing additional security for the mortgage loan, and will not take title to the property or be a purchaser on the sales contract.
2. The primary occupying borrower(s) must be able to meet a minimum of 40 percent of the PITI by verifiable and documented income, OR must have documented income representing full-time employment at no less than 30 hours per week.
3. The Co-Signer/Non-Occupant or Guarantor will not occupy the residence as his primary/permanent residence.
4. The Co-Signer/Non-Occupant or Guarantor is a relative of the mortgagor.
5. The Co-Signer/Non-Occupant or Guarantor is permitted by applicable Fannie Mae and Ginnie Mae guidelines.
6. The Co-Signer/Non-Occupant or Guarantor will be required to sign a statement certifying to the above conditions (see Appendix 6, Co-Signer/Non-Occupant Statement). Tax returns and income verifications are not applicable. These Co-Signer/Non-Occupants or Guarantors will be treated as non-occupant Co-Signers for qualifying purposes.

Please note: For all parties signing the Employment/Income Statement, MHC withholds the right to require documentation from the IRS supporting the signed statement.
SECTION VIII—ISSUANCE OF THE CONDITIONAL COMMITMENT

Please note: Lenders are responsible for monitoring the status of their loans on MHC’s Online Reservation site, which includes checking for the posting of conditional commitments as shown below.

Delegated Examiners only: The Delegated Examiner must review the compliance package prior to issuing the Delegated Conditional Commitment. Once the package has been reviewed and approved, the Delegated Examiner is required to issue the Delegated Conditional Commitment and e-mail the form to MHC at compliance@mhc.com. Failure to comply with this process may result in removal of the Originator’s Delegated Corporation. Originating branches may view loan conditions on MHC Online Reservation.

SECTION IX—CLOSED LOAN PROCEDURES

A. Conditional Commitment. Upon issuance of the Conditional Commitment as posted on the Loan Status screen, the Lender may close the loan in accordance to the conditions stated on the Conditional Commitment. The loan must close before the reservation expiration date stated on the Conditional Commitment. The mortgagor, address, interest rate, loan amount, and term of loan must agree with all closing documents. Changes to any of these items are to be approved by MHC before closing. Failure to do so could result in rejection of the loan.

Delegated Examiners only: Upon issuance of the Delegated Conditional Commitment as posted on the Loan Status screen, the Lender may close the loan in accordance to the conditions stated on the Delegated Conditional Commitment. The loan is to close before the reservation expiration date stated on the Delegated Conditional Commitment. The mortgagor, address, interest rate, loan amount, and term of loan must agree with all closing documents. Changes of these items are to be approved by MHC before closing. Failure to do so could result in rejection of the loan.

B. Verifications of Income. All verifications should be less than 4 months (120 days) old at the time of closing or current information will be required. Income documents more than 120 days old upon submission of the closed loan package could result in rejection of the loan.

C. Settlement Statement Fees. In connection with each mortgage loan, a Lender may charge and collect from an Eligible Mortgagor or seller at closing, reasonable and customary charges. Lender can charge up to a 1% origination fee (not mandatory). Other charges may not exceed the usual and reasonable “settlement and financing cost” that are customary as follows:

1. “Settlement Costs” include title and transfer costs, title insurance, survey fees and other similar costs; and
2. “Financing Costs” include credit report fees, legal fees, appraisal expenses, points which are paid by the borrowers, or other costs of financing the Residence.

SECTION X—LOAN PURCHASES AND TRANSFER OF SERVICING RIGHTS

A. Review of the Mortgage Loan. The closed mortgage loan package is to be received by ServiSolutions within 10 days of loan closing.

1. Lenders must check the closed loan package to confirm all items listed on the Funding Checklist are included in the package. Loans will not be funded if any of the items on the checklist are missing or incorrect.
2. All loans purchased by ServiSolutions will require mandatory registration with MERS. No assignments will be accepted for first or second mortgages. Lenders must transfer all applicable rights in MERS to ServiSolutions immediately after purchase.

Upon completion of the closed loan file compliance review, the mortgage loan(s) will be funded if the file is complete and is in compliance with all requirements. Closed loan packages will not be funded until all required fundable documentation has been received and all compliance issues cleared.

B. Penalties Withheld From Funding. Lenders have 10 days from closing to deliver the complete closed loan package to ServiSolutions. A loan is considered to be in a fundable condition when a complete closed loan package is delivered without errors or missing documents. Also, loans with delinquent payments will not be purchased. The Lender will have 40 days from the date of closing to clear the loan exception with no penalty by ServiSolutions. If the loan is not cleared until 41 days from the date of closing, the lender will be charged a late delivery fee of 50 basis points (0.50%) of the principal purchased by ServiSolutions. If the loan is not purchased by ServiSolutions 60 days from the date of Reservation, MHC will charge a Late Delivery fee of 25 basis points (0.25%). This section does not override any applicable lock expiration
period. Extension fees may be required by Mississippi Home Corporation if the loan is not funded by the applicable expiration date. The amounts of all fees and penalties are subject to change.

C. Funding of the Mortgage Loan. ServiSolutions will issue an ACH or wire on single and multiple funding’s each Wednesday and Friday for each lender. A breakdown of the multiple lenders’ funding’s will be included with the ACH or wire. Any discrepancies should be directed to the Funding and Delivery Department. Only one set of ACH/wiring instructions will be accepted from each lender. Lenders are allowed one change to the wiring instructions per calendar year. Subsequent changes to ACH/wiring instructions will result in a $500 fee per transaction.

Lenders are responsible for servicing the loan until purchased by ServiSolutions to include the payment of all required escrow disbursements for each loan during the period from closing to purchase.

In general, fundable closed mortgage loan packages received by the close of the business day on Monday of each week will be funded on Friday and those received by the close of business on Thursday will be funded on Wednesday of the next week once approved by Mississippi Home Corporation.

The funding amount for both first and second mortgages will consist of:

The originating lender will perform all servicing duties until that time. Servicing and benefits rights transfers to ServiSolutions at the time of loan purchase. Lender will be sent a reminder along with the purchase payment advice to send out their goodbye letter to the borrower ServiSolutions will send the borrowers a Notice of Sale, Assignment or Transfer and two temporary payment coupons at the time of loan purchase. The first payment due to ServiSolutions will be determined based upon when the Notice of Sale, Assignment or Transfer is sent. After the 10th, the effective date will roll to the following scheduled monthly payment due date. The lender
must transfer the loan to ServiSolutions through the MERS system immediately after purchase.

**Examples**

- A loan that closed on 06/02/16 is received in our office 06/8/16 and is being funded on 06/10/16. This loan will be purchased by ServiSolutions at the original note amount with no late delivery penalty unless the purchase date is not over 60+ days from the date of reservation. If the loan is purchased over 60+ days from the date of reservation, a late delivery fee of 25 basis points (0.25%) of the principal balance and the fees would be netted out at funding.
